State Championship BBQ Cook-Off
“Smokin’ on the River”
July 19-20, 2013
Stump Island Park Glasgow, MO 65254**

Dear KCBS BBQer

On July 19-20, 2013, we will be hosting our 9th KCBS sanctioned event. Our team of organizers includes: Leo Himmelberg, Steve Jones, Sharon Himmelberg, and Scott Morris with over 25 years of experience. This year there is a minimum guaranteed purse of \$5,000.00, cash and trophies being awarded for: chicken, pork ribs, pork butt, beef brisket, and kids-Q. Our KCBS Reps are Phil and Rosemary Morrow.

Stump Island Park, nestled on the bank of the Missouri River, is home to our “Smokin’ on the River” competition. The unique setting provides shade and spacious sites fit for any BBQ champion. Our facilities include amenities and the personal attention our teams deserve. Electrical and water hookups are available on a first paid basis. In addition to our riverside sites we have 10 hilltop locations that overlook the Missouri River valley. Kuemmel Park, located in the heart of historic Glasgow, is our alternate site should flood management become an issue again.

Following the judging, competitors will be allowed to sell their BBQ. We look forward to hosting this year’s event that will not only be competitive but enjoyable.
